THE EXQUISITE CORPSE MAIL ART PROJECT

This is a collaborative project started just for fun. No pressure. No deadline. If you do not wish to play, please return to sender.

How to play:

- 1** Add-on to the artwork sent to you in the next section (work from the top down). Use whatever materials you like. Be sure to **ONLY** use one section in order to leave room for the next person.
- 2** Start a new Exquisite Corpse artwork on the blank piece of paper in the top section. Again, be sure to **ONLY** use one section in order to leave room for the next person.
- 3** Fold 2 pieces of blank 8.5" x 11" paper into thirds (use the artwork sent to you as a guide, if necessary).
- 4** Mail the two works to two **DIFFERENT** people. Add one of the blank pieces of paper into each envelope, along with instruction sheets (see note below).
- 5** If you complete an artwork, take a picture of it and email the photo back to the person who sent it to you. That person should send the photo back to the original person. You may optionally post the photo to social media and tag the other artists so they can see the completed work.

Note: Make a copy of this instruction sheet, write out your own version, or download and print new copies here:
